Subject: Update: Faculty Climate Survey Task Force

Dear Colleagues:

In EVCP Dan Lowenstein's recent email to faculty (click [here](#)), he noted that I will convene and chair a Faculty Climate Task Force to address the findings of the [2017 Faculty Climate Survey](#). The charge of the Task Force is to:

- review the survey report and propose any further analyses or data gathering that might be needed;
- seek input from appropriate campus units (committees, organizations, offices) and individuals;
- identify efforts that may already be underway to address issues of concern identified in the survey;
- identify, by priority, problems that need to be addressed; and
- recommend specific actions.

The Task Force is expected to submit an Action Plan to Chancellor Hawgood and EVCP Lowenstein for review by April 2019.

I am pleased to announce that the following faculty members have agreed to represent you on this Task Force:

Sarah Ackerman, PhD
Assistant Adjunct Professor of Social and Behavioral Sciences

Arpi Bekmezian, MD
Associate Health Sciences Clinical Professor of Pediatrics

Thomas Chi, MD
Associate Professor of Urology in Residence

Lukejohn Day, MD
Associate Professor of Clinical Medicine
Academic Senate Representative, EQOP

Danica Galonic Fujimori, PhD
Associate Professor of Cellular and Molecular Pharmacology

Hannah Glass, MD
Associate Professor of Clinical Neurology

Stephen McLeod, MD
Professor and Chair, Ophthalmology

Snehlata Oberoi, DDS
Professor of Clinical Orofacial Sciences
Academic Senate Representative, Faculty Welfare

Elizabeth Ozer, PhD
Professor of Pediatrics in Residence

George Pasvankas, MD
Associate Health Sciences Clinical Professor of Anesthesia

Rupal Shah, MD
Assistant Professor of Clinical Medicine

Katherine Yang, PharmD
Health Sciences Clinical Professor of Clinical Pharmacy

The Task Force will seek broad input from faculty throughout the process and I will provide periodic updates to the campus on our progress.

I would like to personally thank the Task Force members for their willingness to take on this significant commitment in order to ensure that the faculty at large are well-represented in this important initiative. I continue to welcome your comments and feedback on the faculty climate. I can be reached at 514-0421 or brian.alldredge@ucsf.edu.

Best regards,

Brian K. Alldredge, PharmD
Vice Provost, Academic Affairs
Professor of Clinical Pharmacy and Neurology
