11. Do you want to require references for this recruitment?

- Yes No

If you answered YES, please choose ONE of the following two options:

- Require applicants to provide letters of reference with their applications**

By choosing this option, applicants will be able to solicit their references via the AP Recruit system and any received letters automatically become part of the applicant’s application. Applicants will not have access to any received letters in the system. Please note, those letters may not be used in the Advance appointment packet.

OR

- Require applicants to provide names and email addresses of their references with their application**

By choosing this option, applicants will submit the names and email addresses of their references with their application. You will then be able to solicit their references via the AP Recruit system. Letters solicited by the department through AP Recruit may be used in the Advance appointment packet for the candidate of choice.

Please indicate the number of letters OR reference names that the applicant must submit:
12. List the “Core” UCSF Search Committee Members:

Faculty search committees require a minimum of 4 faculty members including the search committee chair; must include at least 1 faculty member from another department; must include 25% minorities or women (men for SON).
