The Campus Council on Faculty Life (CCFL) invites all faculty to attend Faculty Development Day 2014. Faculty Development Day is a one-day event, held at the Laurel Heights campus, that offers workshops for professional development and resources to enhance faculty life at UCSF. This event is relevant to faculty at all career stages and all faculty are encouraged to attend.

For workshop information and for the latest updates, please visit the Faculty Development Day site: http://academicaffairs.ucsf.edu/ccfl/faculty_development_day.php

We hope you will attend.
